Delivering even **more**

### Superb performance and reliability

The M3 is designed for a wide range of commercial and industrial applications. Offering light to medium lift capacity, it is suitable for operation on paved surfaces or on firm off-road conditions. Distinguished by its user-friendly characteristics, the M3 gives supreme performance and reliability day in, day out.

### Meeting the needs of your business

Every business sector has its specific needs. Moffett-Kooi offers you the most comprehensive truck-mounted forklift range. The M3 is already a major success story in businesses such as:

- Timber
- Food & beverage
- Building materials
- Extrusions ...and many more!

### Fully equipped as standard

Your M3 meets all operating requirements. Moffett-Kooi truck-mounted forklifts come with the most comprehensive standard equipment, giving maximum value for your investment.

- Seat belt
- Suspension seat
- Flashing beacon, reverse bleeper
- Work lights
- Integrated side shift
- Differential lock (20.3, 20.4)
- ROPS/FOPS (Rollover/Falling Object Protective Structure)

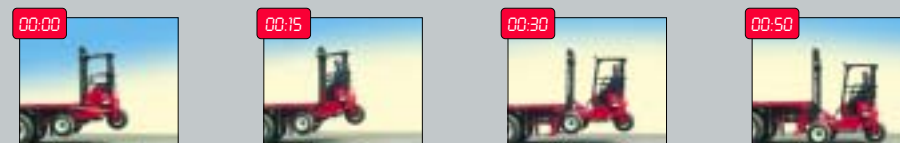

### Customised solutions

With Moffett-Kooi, an impressive range of optional extras is available to you. Whatever the application, we will match it with a customised solution. The M3 standard features can be enhanced with:

- Different tyre options
- Choice of forks
- Choice of three different lift heights

### In harmony with your vehicle

Moffett-Kooi truck-mounted forklifts integrate easily and efficiently with your truck or trailer. They mount and dismount in less than 60 seconds – putting you in complete control of the collection and delivery process.

In less than 60 seconds the Moffett-Kooi forklift can mount or dismount a truck or trailer and be ready for work.
